Subject: Request for withholding from public disclosure the schematics, block diagrams, and operational description pursuant to an application for certification of 2AMUGLR1110TRK.

Greetings,

We, Semtech (International) AG, would like to request that all schematics, block diagrams, and operational description submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any further questions or need additional information, please feel free to give me a call at +41 55 588 1120.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Gutierrez', written over a horizontal line.
