FCC Change of ID

To Whom It May Concern:

We, Merit Medical Systems, Inc., request a Change of Identification for a new FCC ID: 2AMVF-FG1017 as established in 47 CFR 2.933(b) for a currently approved device.

1. The original identification is FCC ID: 2AKHI-107
2. Original Certification Date: 2021/12/15
3. There is no change to product in the design, circuitry and construction and the original test results continue to be representative of and applicable to the equipment.
4. There have been no changes other than the manufacturer's name and address on the labeling.
5. Photos of the product have been submitted with this application.

The original grant will remain in effect.

Sincerely,

By:
