DELTA NETWORKS (XIAMEN) LTD.

Modular Data Re-Use Attestation

We

Name:	DELTA NETWORKS (XIAMEN) LTD.
Address:	Room 402, 4F, Building NO.6-2, Wanghai Road, Xiamen Software Park, Fujian, China

Certify that：

FCC ID: 2AMVP-VCB5106L6WB
IC: 34563-VCB5106L6WB

Product Description: LTE/Wi-Fi Dongle
Type Designation: VCB-5106L6-WB
Trademark: N/A

Module FCC ID: XMR2020BG95M1
Module FCC test report number: R1907A0450-R1V2, R1907A0450-R2V2, R1907A0450-R3V3, R1907A0450-R4V2, R1907A0450-R5V2.

Module IC: 10224A-2020BG95M1
Module IC test report number: R1907A0450-R7V1, R1907A0450-R8V1, R1907A0450-R9V1, R1907A0450-R10V1.

For 4G report, only Equivalent (Isotropic) Radiated Power and Field Strength of Spurious Radiation retest for this device, all other test results please reference original module's test report.

No changes are made to the module, in order to justify the re-use of data.

Operating bands that are locked out by the module software, if this product does not use part of the operating bands supported by the module, the product will stop using through the software.
