

### Model difference declaration

We declaration the schematics, PCB layout and electronic components are identical, only the robotic suction motor and model no. are difference for market strategy.

| Model   | Disposition            | Robotic Difference                                                    | Dock Charger |
|---------|------------------------|-----------------------------------------------------------------------|--------------|
| RRA0TCP | Robotic + Dock Charger | 10000Pa Suction motor<br>Manufacturer:PICEA<br>Model: S20-RB8A5210OSF | SPCDZ03RR    |
| RRA0TAC | Robotic + Dock Charger | 8000Pa Suction motor<br>Manufacturer:PICEA<br>Model: S20-Y8804510OSF  |              |

| Robot            | 1# supplier                                       | 2# supplier                                  |
|------------------|---------------------------------------------------|----------------------------------------------|
| Side brush motor | Manufacturer: JILAISHENG<br>Model: JLS-500K-11640 | Manufacturer: PICEA<br>Model: SR-500EV-11630 |
