Safety and Certifications

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

🇨🇦 | IC: 23324-AMBASSADOR1 FCC ID: 2AN4B-AMBASSADORI1

English: This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
1) This device may not cause interference.
2) This device must accept any interference, including interference that may cause undesired operation of the device

Française: L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- 1) L'appareil ne doit pas produire de brouillage;
- 2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Getting started

Model: Ambassador i1

1.- Charge your Ambassadors before using them.

Use the provided USB  wires and a common power adapter of:

5.0 V  1.0 to 2.0 Ampers

2.- Download the Ambassador Interpreter App

tutorials and tips
available in the app

3.- Connect up to 4 devices to a single phone

4.- Choose one of the interpretation modes:

Listen

Converse

Lecture

5.- Experience a world without language barriers.

Warranty

Waverly Labs: Ambassador (1) Year Limited Warranty:

IMPORTANT: BY USING AMBASSADOR, YOU AGREE TO BE BOUND BY THE TERMS OF THE WAVERLY LABS (1) YEAR LIMITED WARRANTY ("WARRANTY") AS SET OUT BELOW.

DO NOT USE YOUR PRODUCT UNTIL YOU HAVE READ THE TERMS OF THE WARRANTY. IF YOU DO NOT AGREE TO THE TERMS OF THE WARRANTY, DO NOT USE THE PRODUCT AND RETURN IT WITHIN THE RETURN PERIOD STATED IN OUR RETURN POLICY (FOUND AT <http://www.waverlylabs.com/return-policy/>).

What does the warranty cover?

Waverly Labs Inc. ("Waverly Labs" or "us" or "we") warrant that the Ambassador device (including the Micro USB Dual Wire) shall be free against any material defects in production, materials, or workmanship when used in a reasonable manner and as subject to the terms contained in this Limited Warranty, for a period of one (1) year from the date of original purchase directly from Waverly Labs (the "Warranty Duration"). This Limited Warranty only extends to the end-user of the Product. Proof of purchase is required in order to process a claim under this Limited Warranty.

What is not covered?

Any product that has been modified, serviced, or altered by anyone who is not authorized by us to perform such activities. It does not cover damages that the Product may have sustained in transit to the end user. We do not guarantee that the product will be completely error-free, nor are we responsible for damage arising from failure to follow instructions relating to the Product's use. This Warranty does not cover any software contained within the product. Further, this warranty does not apply to damage or defects caused by (1) accident, abuse, mishandling, dropping, flood, fire, earthquake or other external causes; (2) WATER AND/OR FOOD SPILLAGE DAMAGE; (3) normal wear and tear (including cosmetic damage) unless caused by a manufacturing or workmanship defect; (4) improper storage; (5) improper testing or unauthorized repair, including, without limitation, any damage caused by the end-user opening the physical product hardware; and (6) operation of the product (a) using improper voltage or power supply or (b) not in accordance with our instructions. All consumable components subject to regular wear and tear, including battery, ear hook, and other accessories are not covered by this Warranty.

Battery

Capacity: 240mAh (milliamp Hour)

Nominal Voltage: 3.7V

Rated Current/Power Consumption: 50mA to 80mA

Caution

- Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.
- Battery cannot be subject to high or low temperatures, low air pressure at high altitude during use, storage or transportation.
- Replacement of battery with an incorrect type that can result in an explosion or the leakage of flammable liquid or gas.
- Disposal of a battery into fire or hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

Made in China.

Firmware
Update

It is possible to update the Firmware of your Ambassadors via Bluetooth. If there is a new version, the app will let you know and guide you step by step. Please keep your app updated.
