Safety Instructions

1. Do not use this apparatus near water – The appliance should not be used near water or moisture – for example, in a wet basement or near a swimming pool, and the like.
2. Clean only with dry cloth.
3. Unplug the apparatus during lightning storms or when unused for long periods of time.
4. Do not expose the BANANA PHONE BLUETOOTH HANDSET to liquid, moisture, or areas of high humidity.
5. Do not use abrasive cleaners to clean the BANANA PHONE BLUETOOTH HANDSET as they may damage the unit. Always unplug and power off the unit before cleaning.
6. Do not attempt to open or modify the BANANA PHONE BLUETOOTH HANDSET in any way.
7. Do not expose the BANANA PHONE BLUETOOTH HANDSET to extremely high or low temperatures.
8. Keep the BANANA PHONE BLUETOOTH HANDSET away from direct sunshine, hot cars, fire, or the like.
9. Do not use the BANANA PHONE BLUETOOTH HANDSET while driving.
10. To avoid electronic interference and/or compatible conflicts, turn off the BANANA PHONE BLUETOOTH HANDSET in any facilities where posted notices instruct you to do so. For example: Aircraft, Military Base, Hospital or Health Care Facilities.
11. To avoid impairing your hearing in the long-term operation, keep the volume at a moderate level.

12. Keep away from fire, water, and high voltage equipment.
13. Store the BANANA PHONE BLUETOOTH HANDSET in a cool dry place.
14. The BANANA PHONE BLUETOOTH HANDSET contains a lithium ion battery. Lithium ion batteries are flammable and can cause fire if misused, damaged or defective.
15. Always dispose of the packaging and unit in accordance with the local regulations and in a responsible manner. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. At the end of your BANANA PHONE BLUETOOTH HANDSET'S life, please bring it to an e-waste recycler in your area. You can also contact the retailer where the product was purchased to learn more about where to put this product for environmentally safe recycling. Lithium ion batteries do not belong in landfill.

Introduction

Congratulations! You are about to embark on a fruitful journey toward delightful conversation and connection with friends and family. This guide will get you started using your Banana Phone Bluetooth Handset. First, make sure you are familiar with the Bluetooth settings of your smartphone.

Safety Rules:

1. Please carefully read these instructions and follow them closely to ensure proper and safe operation of your new Banana Phone Bluetooth Handset.
2. Be aware of any sharp or pointed parts that may cause injury or damage.
3. Do not modify, repair, or dismantle the Banana Phone Bluetooth Handset in any way. Doing so may pose serious risk to your health and property, and can result in fire, electric shock, injury, breakdown of the Banana Phone Bluetooth Handset etc., none of which is covered by warranty.
4. Keep away from liquids.
5. Do not use the Banana Phone Bluetooth Handset in a hazardous location.

General Functions

Charging:

To begin your Banana Phone Bluetooth Handset experience, make sure your device is fully charged using the micro USB port located at the base of your Banana. A solid Green light will indicate a full charge.

Power On:

Next hold down the center button  for 5 seconds. Banana Voice will say "Power On", and your Banana will enter pairing mode, indicated by a blue and green flashing light.

Pairing:

Use a Bluetooth function smartphone and perform the pairing action (details in Pairing section).

That's it! You are now ready to receive and make phone calls!

Dialing Out:

Double click the center button . You should hear a chime indicated by your smartphone voice assistant. Speak into the Banana Phone Bluetooth Handset microphone and say "Call John". If John is in your contacts – your smartphone will dial him now.

Incoming Call:

To answer an incoming call, you will hear your Banana Phone Bluetooth Handset ring. Press the center button  to answer the call.

Reject Incoming Call:

To reject an incoming call, press and hold the center button  for 2 seconds.

Hang Up:

To hang up, press the center button .

Volume:

To change the volume of the ringtone and call, click on the + and – buttons.

Power Off:

To turn the phone off, press and hold the center button  for 5 seconds. Banana Voice will say "Power Off".

Have Fun!

Call friends and family now! It's about time we stop texting and have real conversations.

Go out there and stand out! Use your Banana often – because people will love to see you talking and having great conversations – on a Banana.

Pairing to Smartphone

1. Open your smartphone's Bluetooth menu and turn Bluetooth on.
2. Turn on your Banana Phone Bluetooth Handset so that it enters pairing mode.
3. Activate a search for devices and find "Banana Phone Bluetooth Handset".
4. Choose "Banana Phone Bluetooth Handset" from the list of devices found by your phone to begin pairing.
5. Once paired, Banana Phone Bluetooth Handset will say "Connected" and this should be indicated in your smartphone's Bluetooth menu.

FCC Statement:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
