

HOUSEHOLD USE ONLY

SAFETY PRECAUTIONS

- Read Instructions before using.
- Unplug before inserting or removing parts or when not in use.
- Do not run longer than 1 minute which can heat and pressurize contents.
- CAUTION: To avoid shock hazard or motor damage, do not immerse in water or other liquids.
- CAUTION: Never try to override or tamper with motor base interlock mechanism.
- NEVER blend warm, hot or carbonated ingredients or liquids.
- WARNING: To prevent leakage when creating a recipe, ALWAYS make sure that the ingredients do not extend above the MAX line.
- CAUTION: Never place or store blade assembly on motor base unless assembled to cup or pitcher.
- CAUTION: Never place hand or utensil near moving blade.
- If powerbase does not shut off after 1 minute during NutriBlast mode, stop it manually.
- To turn off machine during operation, lift vessel from power base.
- If motor stops before NutriBlast or Smart Technology mode is completed, unplug and allow unit to cool.
