TQ-Systems – Label and Label location of HPR DISPLAY V03

Due to the device is too small {according KDB 784748 D01, section 3 and FCC rule part §15.19(a)(5), less space on label and very tiny letters we intend to show the FCC ID and required regulatory text in the manual.

If component is sold as single component you find the FCC ID on the packaging. If component is sold built-into an eBike you find FCC ID on the accompanying documentation of the eBike.

FCC ID: 2ANFF-Q103
