HPR-SB02	HPR-SB02-A
Top View	
 A photograph of the HPR-SB02 component from a top-down perspective. The component is a dark, rectangular module with a textured surface. On the right side, there are four blue connectors with red and blue markings. A black cable is attached to the top. A ruler is placed below the component, showing a scale from 0 to 50 mm. The component's length is approximately 45 mm.	 A photograph of the HPR-SB02-A component from a top-down perspective. The component is a dark, rectangular module with a smooth surface. A black cable is attached to the top. A ruler is placed below the component, showing a scale from 0 to 50 mm. The component's length is approximately 45 mm.
Bottom View	
 A photograph of the HPR-SB02 component from a bottom-up perspective. The component is a dark, rectangular module with a textured surface. On the left side, there is a white label with the following text: "REMOTE", "CAN1", "CAN2", "CAN3", "AUX", and "MOTOR". On the right side, there are four blue connectors with red and blue markings. A black cable is attached to the bottom. A ruler is placed below the component, showing a scale from 0 to 50 mm. The component's length is approximately 45 mm.
