Short-term maximum confidentiality period:

180 days

OR:

Short-term confidentiality release date (product launch):

MM/DD/YYYY

* Exhibits not routinely made available to the public.

** Only if applicable:

Short-Term Confidentiality can be requested for a maximum of 180 days from the date of the grant.

When the device is marketed the grantee must inform the TCB to release the Short-Term Confidentiality information withheld on the FCC equipment authorization website.

Long-term confidentiality:

The documents indicated as long-term confidential contain detailed system and equipment description and related information about the product which Company name considers to be proprietary, confidential and a custom design and the information is not publicly available.

Since the design is a basis from which future technological products will evolve, Company name considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Short-term confidentiality (if applicable):

Company name requests the exhibits selected above as short-term confidential to be withheld from public view for the period as indicated above.

When the device is marketed, Company name will inform the TCB to release the short-term confidentiality information withheld on the FCC equipment authorization website.

Sincerely,

i. A. Kuhnert
Wolfgang
