

OUKITEL

# K7 Pro

Thanks for choosing OUKITEL products

## Overview

---

## Overview

---

## Accessories

---

Quick Charger

USB Cable

OTG Cable

SIM Card Pin

## Battery

---

K7 Pro is included an internal battery.

You can track your battery status with the icon showed on the top right of the screen. As microwave ovens, stoves, or radiators, batteries may explode when overheated.

## Warning

- Use only OUKITEL-approved batteries specifically designed for your phone. Incompatible batteries can cause serious injuries or damage to your phone.
- Never place batteries or phones on or in heating devices, such as microwave ovens, stoves, or radiators. Batteries may explode when overheated.

## Overview

---

### Basic parameters

---

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| Display:          | 6.0" HD IPS Touchscreen                             |
| Color:            | Black                                               |
| Operating system: | Android™ 9 Pie                                      |
| Processor:        | 4xCortex-A53 up to 2.0Ghz/4xCortex-A53 up to 1.5Ghz |
| GPU:              | ARM Mali-G71 MP2 Up to 700Mhz                       |
| RAM:              | 4 GB                                                |
| ROM:              | 64GB/64GB (Expandable UP to 64GB)                   |
| Battery:          | 10000mAh, 9V/2A quick charge                        |

### Camera

## Visão geral

---

## Visão geral

---

## Accessori

---

## Batteria

---

K7 Pro è inclusa una batteria interna.

Puoi monitorare lo stato della batteria con l'icona mostrata in alto a destra sullo schermo. Come forni a microonde, stufe o radiatori, le batterie possono esplodere se surriscaldate.

## Avvertimento

- Utilizzare solo batterie approvate da OUKITEL specificamente progettate per il telefono. Le batterie incompatibili possono causare lesioni gravi o danni al telefono.
- Non posizionare mai batterie o telefoni su o in dispositivi di riscaldamento, come forni a microonde, stufe o radiatori. Le batterie possono esplodere se surriscaldate.

## Panoramica

## Zubehör

---

## Akku

---

Das **K7 Pro** enthält einen fest verbauten Akku

Sie können den Ladestatus mit dem Symbol oben rechts auf dem Bildschirm verfolgen. Nicht in der Nähe von Mikrowellen, Öfen oder Heizkörpern aufbewahren, da Akkus bei Überhitzung explodieren können.

## Warnung

- Verwenden Sie nur durch OUKITEL -zugelassene Akkus, die speziell für Ihr Handy entwickelt wurden. Unverträgliche Akkus können schwere Verletzungen verursachen oder Ihr Telefon beschädigen.
- Legen Sie niemals Akkus oder Telefone auf oder in Heizgeräte, Mikrowellenherde, Öfen oder Heizkörper. Die Akkus können explodieren wenn sie überhitzt werden.

## Батарея

---

В комплект поставки K7 Pro входит литий-ионная батарея. Вы можете отслеживать состояние батареи с помощью значка, показанного в правом верхнем углу экрана. Вблизи микроволновых печей, кухонных плит или радиаторов, батареи могут взорваться при перегреве.

## Предупреждение

- Используйте только одобренные батареи OUKITEL, специально предназначенные для вашего телефона. Несовместимые батареи могут стать причиной серьезных травм или повреждения телефона.
- Никогда не помещайте батареи и телефоны в нагревающие устройства, например, в микроволновые печи, печи или радиаторы. При перегреве батареи могут взорваться.

## البطارية

**Pro K7** يحتوي على بطارية داخلية  
يمكنكم معرفة حالة بطاريته من خلال الأيقونة المعروضة في الجزء العلوي  
الأسفل من الشاشة. كما هو الحال في أفران الميكروويف والمواقد والمشعلات،  
يمكن أن تنفجر البطاقة عن زيادة حرارتها.

### تحذير:

- استخدام فقط البطاريات المعتمدة من دوجي المصممة خصيصاً  
هاتفك. يمكن أن تسبب البطاريات غير المتوافقة إصابات خطيرة  
أو ضرراً بهاتفك.
- لا تضع البطاريات أو الهواتف على أجهزة تسخين، مثل  
أفران الميكروويف أو المواقد أو المشعلات. يمكن أن تنفجر البطارية  
عند زيادة حرارتها.

## لمحة عامة

### المواصفات الأساسية

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| الشاشة:               | FH IPS touchscreen" 6.0                                         |
| الألوان:              | أسود                                                            |
| نظام التشغيل:         | Android™ 9 Pie                                                  |
| المعالج:              | 4xCortex-A53 up to 2.0Ghz/4xCortex-A53 up to 1.5Ghz             |
| وحدة معالجة الرسومات: | ARM Mali-G71 MP2 Up to 700Mhz                                   |
| الذاكرة العشوائية:    | 4 غيغابايت                                                      |
| ذاكرة للقر:           | 64 جيجابايت / 64 جيجابايت ROM ( قابلة للتوسيع حتى 64 جيجابايت ) |
| البطارية:             | 9V/2A ٠mAh10000 تهمة سريع                                       |

### الكاميرا

|                          |               |
|--------------------------|---------------|
| كاميرا خلفية             | كاميرا أمامية |
| MP13.0 الكاميرا الرئيسية | MP5.0         |
| F/2.0                    |               |
| فلاش LED                 |               |

### التوصيل (I/O)

|                                            |                                    |

Manufacturer's Name: OUKITEL

Smart phone

Model number: K7 Pro

Operating Temperature: -10° C to 40° C

This device was tested for typical body-worn operations. To comply with RF exposure requirements, a minimum separation distance of 0mm must be maintained between the user's body and the handset, including the antenna. Third-party belt-clips, holsters, and similar accessories used by this device should not contain any metallic components. Body-worn accessories that do not meet these requirements may not comply with RF exposure requirements and should be avoided. Use only the supplied or an approved antenna.

This device in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. All essential radio test suites have been carried out.

1. Use careful with the earphone maybe possible excessive sound pressure from earphones and headphones can cause hearing loss.

2. CAUTION : RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS

3. The product shall only be connected to a USB interface of version USB 2.0

4. Adapter shall be installed near the equipment and shall be easily accessible.

5. The plug considered as disconnect device of adapter

6. The device complies with RF specifications when the device used at 0mm from your body

**15.19 Labeling requirements.**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**15.21 Information to user.**

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**15.105 Information to the user.**

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Absorption Rate (SAR) information:**

This mobile phone meets the government's requirements for exposure to radio waves. The guidelines are based on standards that were developed by independent scientific organizations through periodic and thorough evaluation of scientific studies. The standards include a substantial safety margin designed to assure the safety of all persons regardless of age or health.

FCC RF Exposure Information and Statement The SAR limit of USA (FCC) is 1.6 W/kg averaged over one gram of tissue. This device was tested for typical body-worn operations with the back of the handset kept 1.0cm from the body. To maintain compliance with FCC RF exposure requirements, use accessories that maintain a 1.0cm separation distance between the user's body and the back of the handset. The use of belt clips, holsters and similar accessories should not contain metallic components in its assembly. The use of accessories that do not satisfy these requirements may not comply with FCC RF exposure requirements, and should be avoided.

**Body-worn Operation**

This device was tested for typical body-worn operations. To comply with RF exposure requirements, a minimum separation distance of 1.0 cm must be maintained between the user's body and the handset, including the antenna. Third-party belt-clips, holsters, and similar accessories used by this device should not contain any metallic components. Body-worn accessories that do not meet these requirements may not comply with RF exposure requirements and should be avoided. Use only the supplied or an approved antenna.
