WARNING

• Use of diagnostic equipment can cause electrical shock, fire and explosion. Diagnostic equipment must be located 18" or more above floor level. Avoid sparks and other sources of ignition.

Electrical shock, flames and explosion can cause serious injury.

• Improper use can cause hazardous conditions.

Read and follow all safety precautions accompanying the product. Wear safety goggles.

Unexpected electrical, thermal or mechanical occurrences can cause injury.

• Electromagnetic and electronically generated waves may interfere with pacemakers.

Individuals with pacemakers should never use this product.

Using this product with a pacemaker can result in serious injury or death.

• Internal battery presents a risk of fire, explosion and electric shock.

Fire or explosion or electric shock can cause injury. Charge battery pack only with charger provided. Do not store at temperatures above 120° F (49°C). Do not discard used batteries; return them to a Snap-on repair center for recycling. Follow all safety messages in user manual.

Fire or explosion or electrical shock can cause injury.
