1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled '2', showing various electronic components and solder joints. The component is rectangular with a complex layout of traces and components. It is placed next to a metal ruler for scale, which shows measurements in centimeters (0 to 19 cm) and millimeters (0 to 18 mm). The background is a light blue surface.
Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled '3', showing various electronic components and solder joints. The component is smaller and more compact than the one in View 2. It features a few large components, including what appears to be a transformer or inductor, and several smaller components. It is placed next to a metal ruler for scale, which shows measurements in centimeters (0 to 13 cm) and millimeters (0 to 13 mm). The background is a light blue surface.
