

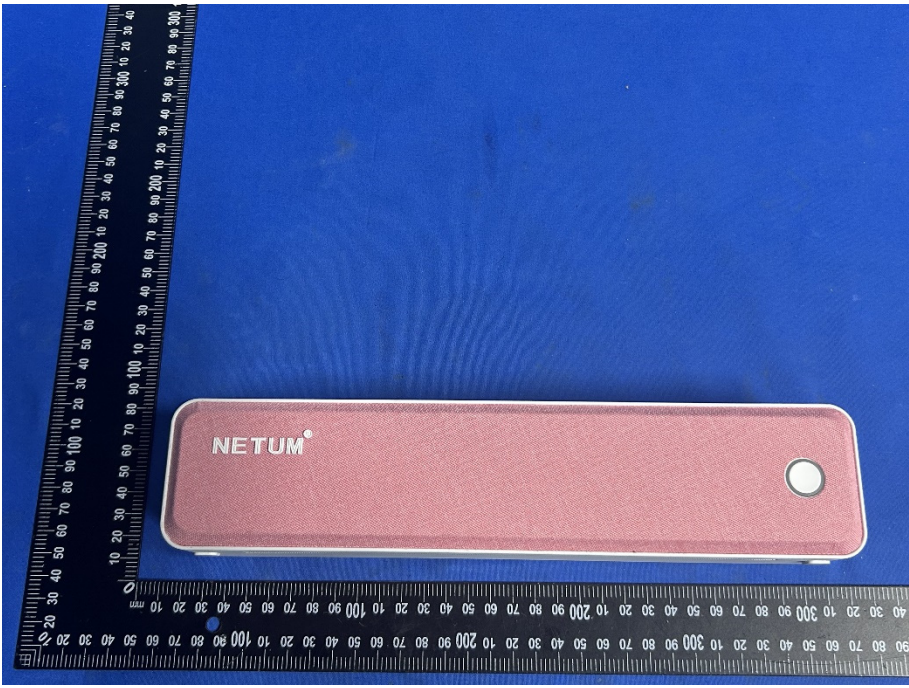

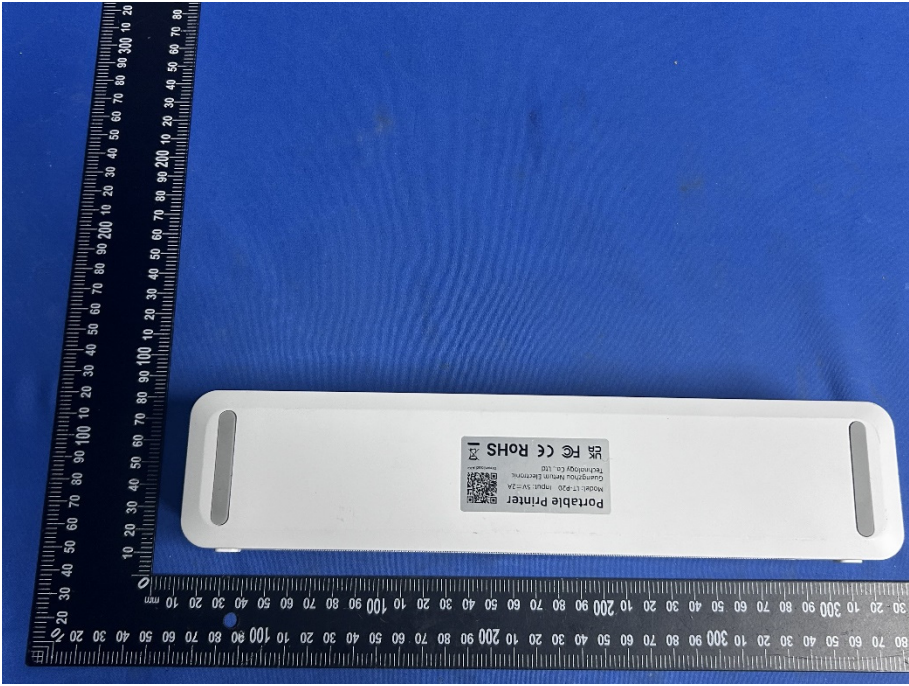

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

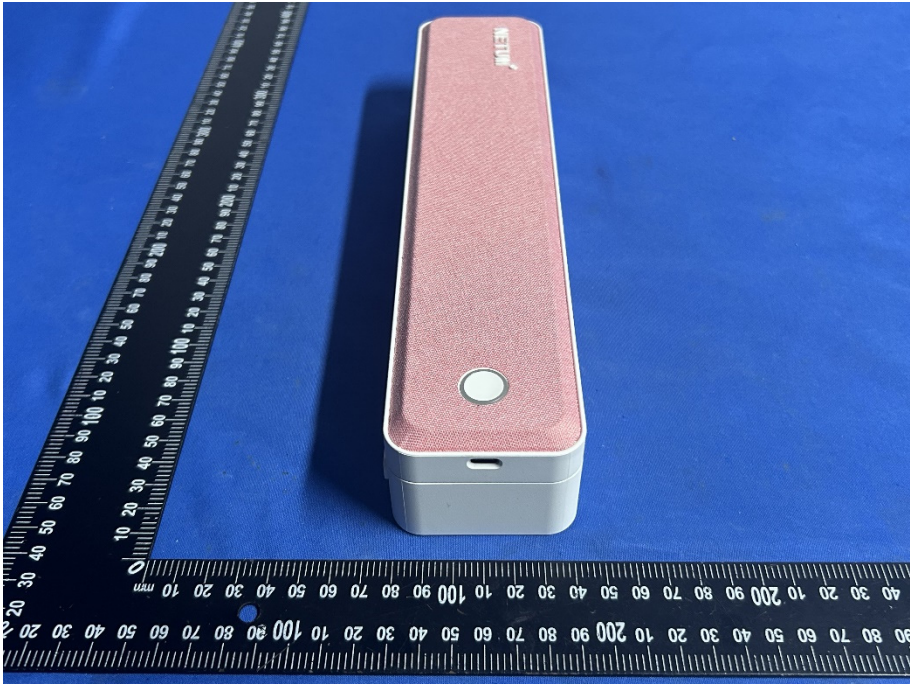

EUT View 1	 A photograph showing four rectangular external devices, each with the 'NETUM' logo and a circular port on the right side. They are stacked vertically on a blue surface. From top to bottom, the colors are red, blue, brown, and grey. A white cable is coiled to the right of the bottom two devices. A ruler is placed horizontally below the stack, showing measurements in centimeters.
EUT View 2	 A photograph showing a single red rectangular external device with the 'NETUM' logo and a circular port on the right side. A white cable is coiled above it. Both are on a blue surface next to a ruler, which shows measurements in centimeters.

EUT View 8

EUT View 9	 The image shows the back of a white portable printer. A black label is centered on the back panel. The label contains the following text: 'Portable Printer' in bold, 'Model: LT-P20 Input: 5V = 2A', 'Guangzhou Netum Electronic Technology Co., Ltd', and a QR code with the text 'Download APP' below it. At the bottom of the label are the UKCA, FCC, CE, and RoHS certification marks, along with a crossed-out trash can icon.
EUT View 10	 The image shows the front of the white portable printer. The top of the device has a red mesh speaker grille. Below the grille is a small, dark, rectangular port. The front panel is white and has a small, faint, handwritten mark near the bottom center.
