FCC ID: 2A06A-WFS-205BW

The Wifi module and the BLE module are basically wrapped in a cradle.
Therefore, user can not isolate the arbitrarily.
It is also designed so that it cannot operate when the Wifi module is separated from the BLE module.

This product is sold in a single set of cradle and Wi-Fi & BLE.

Thanks a lot.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Sangchul Kim" with a checkmark at the end.
