

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a grey, oval-shaped computer mouse. The mouse is positioned vertically on a blue textured surface. To its left is a black L-shaped ruler with white markings in centimeters and millimeters. The mouse has a scroll wheel and two main buttons. The brand name 'FLYTE' is visible on the lower part of the mouse.
EUT View 2	 A bottom-up photograph of the same grey computer mouse. The mouse is positioned vertically on a blue textured surface. To its left is a black L-shaped ruler with white markings in centimeters and millimeters. The bottom of the mouse features a USB port, a small 'ON/OFF' switch, and a 'Reset' button. The model number 'M110' is printed at the top of the bottom view.

EUT View 3	 A top-down photograph of a grey computer mouse. The mouse is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally below the mouse, showing measurements in centimeters. The mouse has a small gold-colored sensor at the front and the brand name 'WALTEK' printed vertically on its upper surface.
EUT View 4	 A side-view photograph of the same grey computer mouse. It is shown from an angle, highlighting its ergonomic shape. The blue textured surface and the black ruler are visible in the background, providing a sense of scale. The 'WALTEK' logo is visible on the side of the mouse.

EUT View 5	 A top-down photograph of a grey, ergonomic computer mouse. The mouse has a central scroll wheel and two main buttons. It is positioned on a blue textured surface. Below the mouse is a black ruler with white markings, showing measurements in centimeters and millimeters. The ruler is oriented horizontally, with the 0 mark on the left and the 100 mark on the right.
EUT View 6	 A side-view photograph of the same grey computer mouse. The mouse is shown from its left side, highlighting its ergonomic shape and the scroll wheel. It is placed on a blue textured surface. Below the mouse is a black ruler with white markings, showing measurements in centimeters and millimeters. The ruler is oriented horizontally, with the 0 mark on the left and the 100 mark on the right.
