

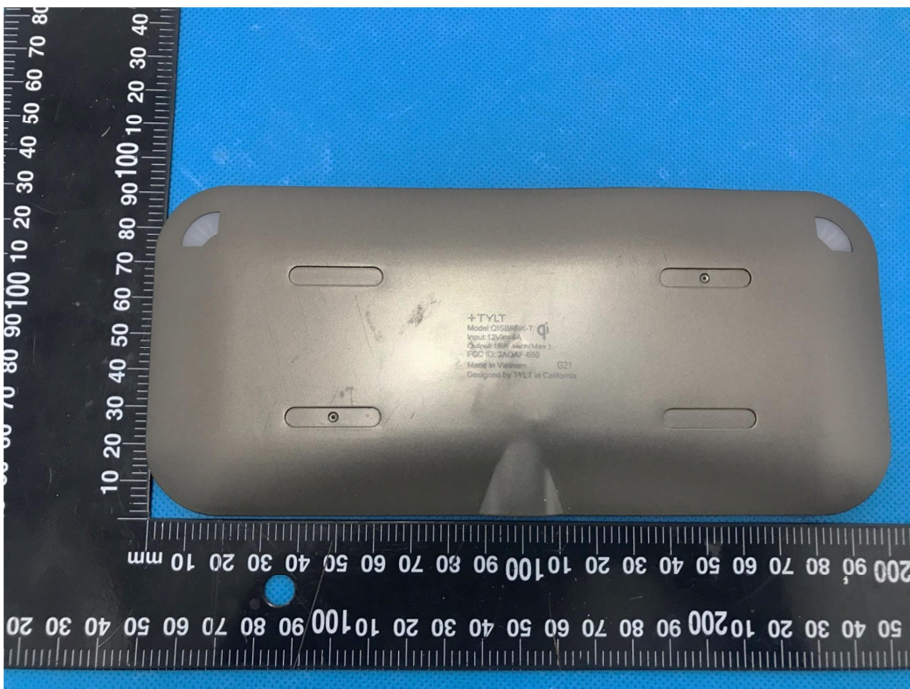

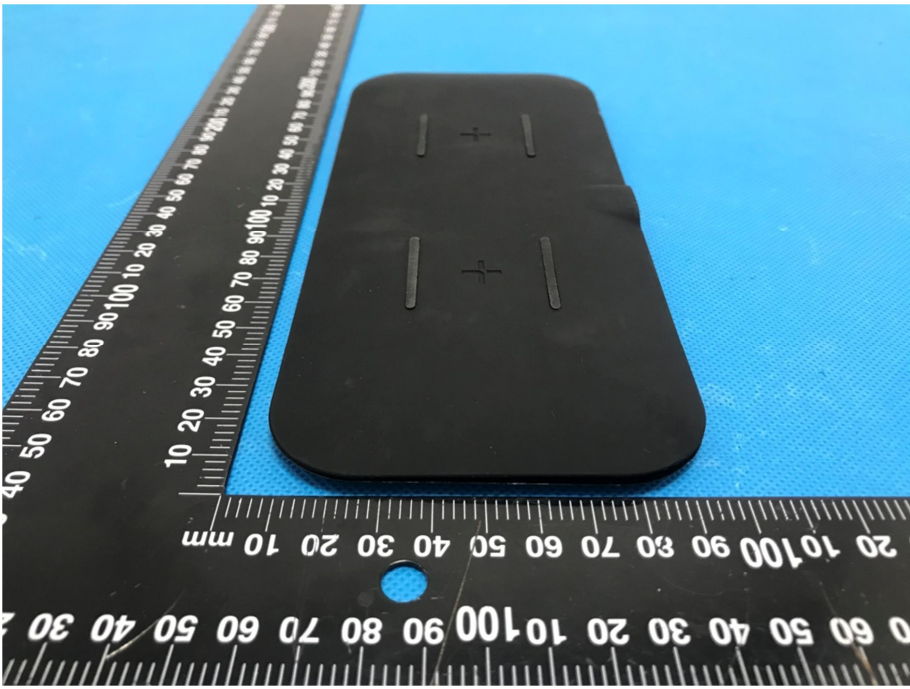

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black rectangular electronic device (EUT) lying on a blue surface. To the left of the device is a black ruler with white markings, showing measurements in centimeters and millimeters. A black cable is connected to the right side of the device. The device has two horizontal slots on its front face.
EUT View 2	 A close-up photograph of the black rectangular electronic device (EUT) lying on a blue surface. A black ruler with white markings is placed vertically to the left of the device. The device has two horizontal slots on its front face, each with a small crosshair mark in the center.
