

Zhejiang Lierda Internet of Things Technology Co., Ltd.

Declaration on model difference

Hereby,

Name of manufacturer: Zhejiang Lierda Internet of Things Technology Co., Ltd.
Room 1402, Building 1, No.1326, Wenyi West Road, Cangqians
Address: street, Yuhang District
City: Hangzhou
Country: China

declares that this equipment:

Product description: SB26 Series Bluetooth LE Communication Module
Type designation(s): L-BTMSB26; L-BTMSB26-G0PP4; L-BTMSB26-G0NP4
Trademark: Lierda

The hardware design, PCB layout, circuit schematics, structural molds, and specifications of key components (such as chips, capacitors, and resistors) are identical across all applicable models. only different is as following

HVIN	PMN	FVIN	HW Ver.	Explanation of Differences
L-BTMSB26	L-BTMSB26	N/A	02	No software
L-BTMSB26-G0PP4	L-BTMSB26-G0PP4	4	02	Have function code 04, the purpose is to have slave transparent transmission
L-BTMSB26-G0NP4	L-BTMSB26-G0NP4	1	02	Have factory test code 01, the purpose is for functional verification.
