

FCC Class II Permissive Change Request Letter

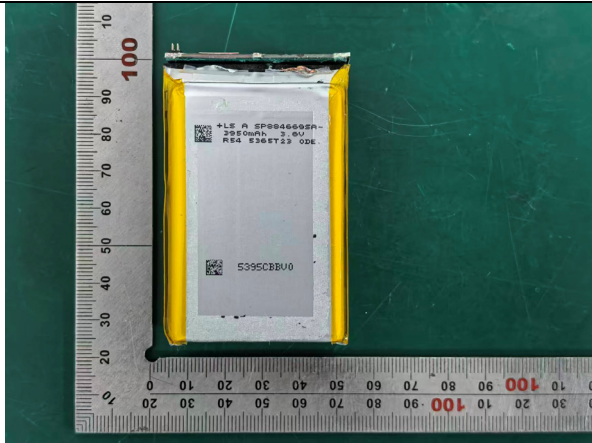

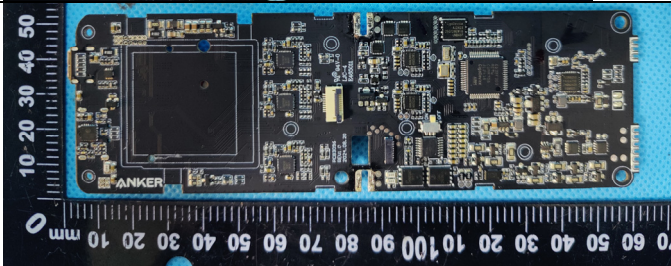

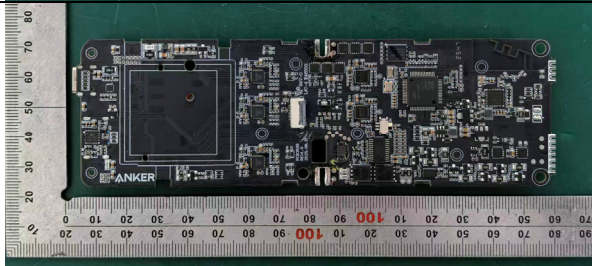

Date: 2026/2/25

To FCC:

RE: FCC Permissive II Change Request for Company: Anker Innovations Limited FCC ID: 2AOKB-A1340A

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Anker Innovations Limited, product description: Anker Prime Power Bank (27K, 250W) (FCC ID: 2AOKB-A1340A, Original Grant Date: 02/06/2025). The transmitter module itself has not changed. Here are the changes:

1. Change the internal lithium battery pack;
2. Change the U25 lithium-ion battery protection IC, and simultaneously make corresponding adjustments to the surrounding circuits and the layout of the printed circuit board;
3. Change the product name to "Anker Prime Power Bank (27K, 250W)".

Serial number	Original	New
1	 A photograph of the original internal lithium battery pack. It is a rectangular, silver-colored component with a blue textured background. A ruler is placed below it for scale, showing dimensions in millimeters. The battery has a label with technical specifications and a QR code.	 A photograph of the new internal lithium battery pack. It is a rectangular, silver-colored component with a green textured background. A ruler is placed below it for scale, showing dimensions in millimeters. The battery has a label with technical specifications and a QR code.
2	 A photograph of the original printed circuit board (PCB). It is a black, rectangular board with various electronic components, including a large black square component in the center. A ruler is placed below it for scale, showing dimensions in millimeters.	 A photograph of the new printed circuit board (PCB).
