

Anker Innovations Limited

Declaration of Product Modifications

Date: Sept.27, 2022

This is to request a Class II permissive change for FCC ID: 2AOKB-A3027 originally granted on 03/02/2021.

The major change filed under this application is:

This changes the NFC module, re-testing radiation emissions, Antenna Requirement, Field Strength of Fundamental Emissions, 20dB Bandwidth, Frequency Tolerance

(Old NFC module)

(New NFC module)

Sincerely,

(Signature)
