Subject: Explanation of differences between product types

FCC ID: 2AOKB-A31X1C
 Models: A31X1, A31X1C

To Whom It May Concern:

We, Anker Innovations Limited, hereby declare that the differences between model A31X1 and model A31X1C lie in the different sales regions and the subtle differences in the Type-C bases of the two models(with and without spring plate) , for details, please refer to the chart below.

The countries where the A31X1C is sold include: China, Egypt, India, the United Arab Emirates, and Saudi Arabia.

The countries where the A31X1 is sold include: EU countries, the United States, Canada, South Korea, etc.

Model Name	Type-C port differences	photograph	Sales channel differences
A31X1	Without spring plate		EU, USA, Canada, South Korea, etc.

	With spring plate		EU, USA, Canada, South Korea, etc.
A31X1C	Without spring plate		China, Egypt, UAE, Saudi Arabia
	With spring plate		China, Egypt, UAE, Saudi Arabia

Sincerely,

Anker Innovations Limited
