DECLARATION OF SIMILARITY

Date: 2021-11-06

FEDERAL COMMUNICATIONS COMMISSION

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046

Dear Sir or Madam:

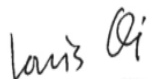

We, Anker Innovations Limited, hereby declare that the product: Nebula Cosmos Laser(Nebula Cosmos Laser 4K), FCC ID: 2AOKB-D2341. Model: D2341 is electrically identical with the model: D2350 which was tested by China Certification ICT Co., Ltd (Dongguan) with the same electromagnetic emissions and electromagnetic compatibility characteristics. A description of the differences between those models and that are declared similar are as follows:

Model differences	D2341	D2350
Driver board for optical module	Driver board for resolution 1080P	Driver board for resolution 4K
Optical module	DMD IC for resolution 1080P	DMD IC for resolution 4K
Speakers	2 pcs of loadspeakers, 8 ohm for each	4 pcs of loadspeakers, 8 ohm for each
Main board	Same as D2350 but with less parts mounting on the PCB for additional speakers	With one more audio amplifier and slight differences for resistors for the additional speakers. PCB layout are the same but more components are mounted on the PCB due to the additional speakers.

Please contact me should there be need for any additional clarification or information.

Best Regards,
