

## Appendix F: Test Data for E-UTRA Band 5

**Product Name:** Camcorder

**Trade Mark:** ZECN

**Test Model:** DSJ-AI

### Environmental Conditions

|                    |             |
|--------------------|-------------|
| Temperature:       | 25 ° C      |
| Relative Humidity: | 50%         |
| ATM Pressure:      | 100.0 kPa   |
| Test Engineer:     | Ryan.Hu     |
| Supervised by:     | Jayden Zhuo |

### F.1 Conducted Output Power

| Conducted Output Power Test Result (Channel Bandwidth: 1.4 MHz) |         |                  |        |                     |                     |         |
|-----------------------------------------------------------------|---------|------------------|--------|---------------------|---------------------|---------|
| Modulation                                                      | Channel | RB Configuration |        | Average Power [dBm] | Average Power [dBm] | Verdict |
|                                                                 |         | Size             | Offset | QPSK                | 16QAM               |         |
| QPSK / 16QAM                                                    | LCH     | 1                | 0      | 22.33               | 21.82               | PASS    |
|                                                                 |         | 1                | 3      | 22.53               | 21.93               | PASS    |
|                                                                 |         | 1                | 5      | 22.12               | 21.74               | PASS    |
|                                                                 |         | 3                | 0      | 22.77               | 22.21               | PASS    |
|                                                                 |         | 3                | 2      | 22.34               | 21.89               | PASS    |
|                                                                 |         | 3                | 3      | 22.32               | 21.77               | PASS    |
|                                                                 |         | 6                | 0      | 22.14               | 21.75               | PASS    |
