WALL MOUNTING TEMPLATE AND INSTRUCTIONS

What's included

x3

3.5 x 30mm

x3

6 x 30mm

What you'll need

3/16"

1

Tape this paper to the wall and press a screw into the center point to mark the locations for mounting holes.

2

Drill 3/16" holes in marked locations

3

Tap anchors in with a hammer

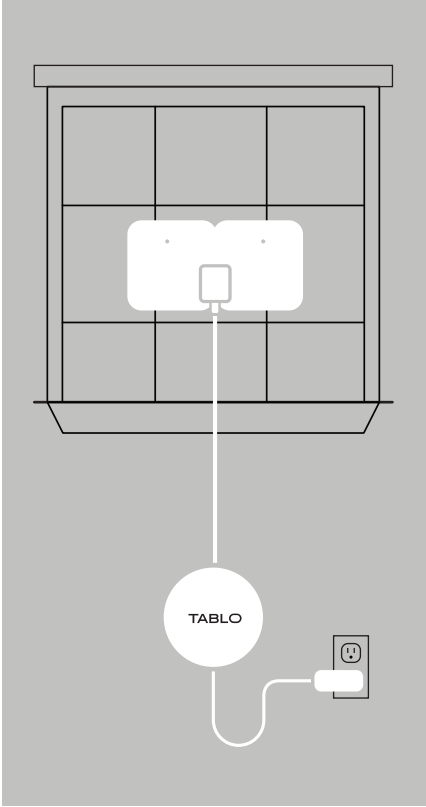

4

Insert screw slowly leaving 3/8" exposed

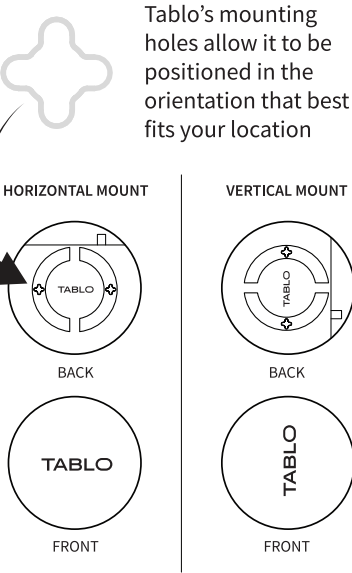

5

Slide Tablo over the screws to lock in place

For wood mounting, do not use anchors. Drill 1/8" holes and insert screws. Use anchors for hollow walls.

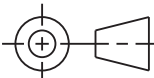

TABLO CAN BE WALL MOUNTED (OPTIONAL)

See reverse side for Tablo mounting template and instructions
