Authority to Act as Agent FCC

On our behalf, we appoint Chip Fleury and/or Juan Gonzalez, to act as our agent in the preparation of this application for equipment certification. We certify that submitted documents properly describe the device or system for which equipment certification is sought. We also certify that each unit manufactured, imported or marketed, as defined in FCC regulations will have affixed to it a label identical to that submitted for approval with this application.

In signing this letter, Applicant certifies that neither the applicant nor any party to the application is not subject to a denial of Federal benefits, that include FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862 because of a conviction for possession or distribution of a controlled substance. See 47 CFR 1.2002(b) for the definition of a "party" for these purposes. For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for certification, as specified by Nemko North America Inc., still resides with Robert Bosch Manufacturing Solutions GmbH, Bosch Connected Industry, Wernerstrasse 51, 70469 Stuttgart, Germany.

Yours sincerely
