

## Justification statement for Antenna

To

Federal Communication Commission

Equipment Authorization Branch

7435 Oakland Mills Road

Columbia, MID 21046

Regarding: FCC ID: 2AOT9-NBIQRWC

Dear Sir/Madam

Only radiated measurements are used for EUT with FCC ID: 2AOT9-NBIQRWC to show compliance with FCC limits for fundamental and spurious emissions. All measurements were performed radiated and therefore additional antenna gain documentation is not required.

The detailed information for antenna as below shows:

|                     |                                                                                    |
|---------------------|------------------------------------------------------------------------------------|
| Frequency           | 24.00 – 24.25 GHz                                                                  |
| Type                | PCB Antenna                                                                        |
