Request for Class II Permissive Change

To whom it may concern,

This is a request to file a Class II permissive change for FCC ID: 2AOTB-ZULWC. The original grant date was on April 13th, 2018.

The only change on the product is the plastic enclosure; there are no board component changes, PCB routing, or firmware changes.

We have performed the 15B evaluation of this device, and made sure the changes to the enclosure have not affected emissions of the device.

Sincerely,
