MODEL NO: QL-9325-62

FCC Annex Products Pty Ltd, Australia, declares that the products "Aux Bluetooth Adaptor", complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: The "Aux Bluetooth Adaptor", has been tested and found to comply with the limits for a Class B device, pursuant to Part 15 of the FCC Rules and has been assigned FCC ID: 2AOU9-BTA. These limits are designed to provide reasonable protection against harmful interference. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

RF Exposure Compliance: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

CAUTION: Any changes or modifications in construction of these devices which are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Hereby, Annex Products Pty Ltd declares that the radio equipment type QL-9325-62 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: www.quadlockcase.com/doc-qla-bta
