DEVICE INFORMATION

The diagram illustrates the front and back views of the Claro TV+ device. The front view shows a circular screen with the 'Claro tv+' logo. The back view shows a rectangular device with several ports. The ports are numbered as follows:

- 1 USB: A USB port on the left side of the back panel.
- 2 LAN: A LAN port on the bottom left of the back panel.
- 3 DC 5V: A DC 5V port on the bottom right of the back panel.
- 4 Reset: A reset button on the right side of the back panel.

Setup

Complete the on-screen setup

Follow the on-screen instructions using your remote to navigate through the setup process.

The screenshot shows the Roku TV's initial setup screen. The background is black. On the left, the word 'Bienvenido' is written in white. On the right, there is a blue button labeled 'English (United States)'. Below this button, a list of other languages is shown in white: Afrikaans, Czech, Danish, German, and Hindi. At the bottom right, there is a small white icon of a hand holding a remote control.
