HOW TO USE THE LED WRISTBAND

- INITIAL USE
 - Slide the power switch on the side of the product to the ON position to activate the wristband.
- HOW TO OPERATE
 - Each time you press the button on the side of the product, the light color changes according to the preset colors.
 - During normal use, individual operation is possible. However, once central control is activated from the stage control center during the performance, all LED bands in the venue will be synchronized and change automatically according to the central control effects.
 - After use, please slide the power switch to the OFF position.
- The lighting module can be separated from the wristband and used as a necklace pendant.

- Do not pull the band too hard when removing the lighting module from the wristband.
- If the band is damaged, the lighting module may detach.
- When using the lighting module as a necklace pendant, do not apply excessive force or pull strongly.

BATTERY REPLACEMENT

- When the battery power is low, the LED light may dim, or the button may stop functioning.
- Open the battery cover on the back of the product, remove the used battery, and replace it with a new one.

QUALITY LABEL IN ACCORDANCE WITH THE QUALITY MANAGEMENT AND SAFETY CONTROL OF INDUSTRIAL PRODUCTS ACT

Product Name : FANTASTIC OLD FASHIONED 2024 LED BAND
Equipment Type : 특정소출력 무선기기 (무선데이터통신시스템용 무선기기)
Model No. : WO-003
Material : ABS, STEEL, SILICONE
Radio Frequency : 2.402 ~ 2.480 GHz (Bluetooth)
Manufacture Date : August 2024
Manufacturer : FANLIGHT Co., Ltd.
Country of Manufacture : Made in China
Address : 22 Nonhyeon-ro 128-gil, Seoul, Korea
Telephone : +82-70-4848-4300

R-C-HnA-WO-003

FCC Statement

The device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications (including the antenna) to this device that are not expressly approved by the manufacturer may void the user's authority to operate the equipment.

FCC RF Radiation Exposure Statement:
The equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.
This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.
