

Label Location Justification Letter

Subject: Label location request for FCC ID: 2APJ4-MA188

Dear Sir or Madam,

For the product with FCC ID above, the certificate label including FCC ID number are not affixed on the product itself due to below reasons.

It's hard to print FCC ID on surface of product due to it's small size and curved appearance.

To validate the grant of equipment authorization, the FCC ID will be included in package label and user manual. It is readily viewable at all times for users.

Thank you in advanced!

Best regards.
