

Mobile Access Control for the Modern Workspace

Long Term Confidentiality Request Letter

01/25/2019

MET Laboratories, Inc.
914 West Patapsco Avenue
Baltimore, MD 21230

RE: CONFIDENTIALITY REQUEST FOR 2APJVOPRHF and 2APJVOPRLF
To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the layout, schematic, block diagrams, and technical documentation required to be submitted with this application be permanently withheld from public review.

In order to remain competitive in the market space our design documentation must remain confidential as it contains proprietary information specific the Openpath Security, Inc. unique approach to access control.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink that reads "Michael Biggs".

Michael Biggs. 03/05/2019
