

EUT Internal Photographs

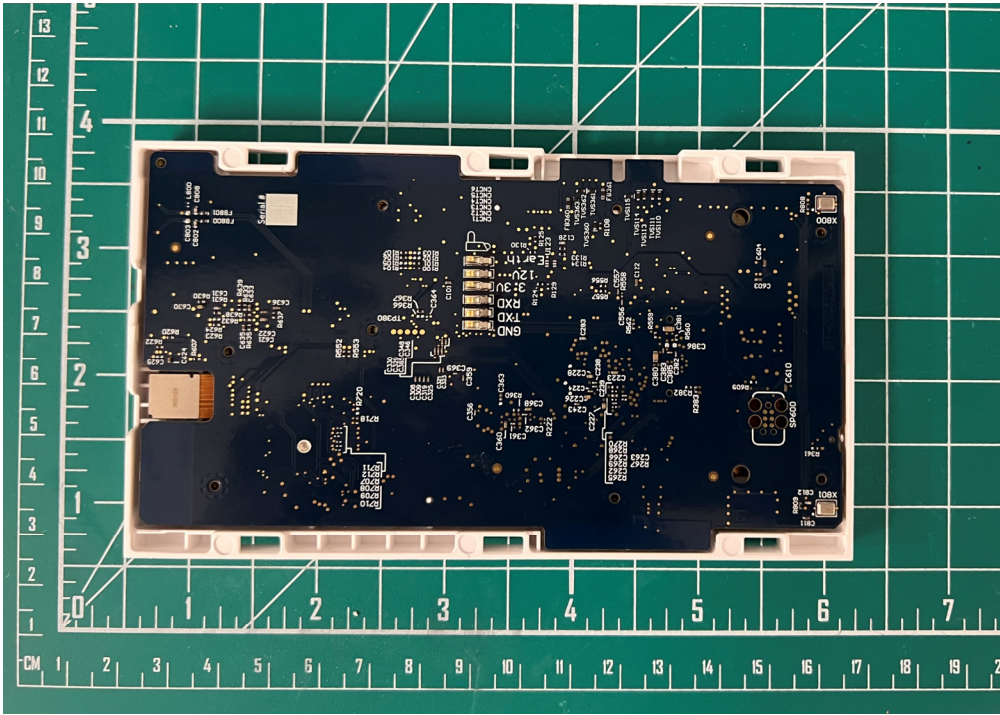

1.1 EUT Internal Top View

1.2 EUT Internal Bottom View

1.3 Open Enclosure View

This image shows the open enclosure view of the PCB, revealing the internal components and layout. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. The layout is organized into functional blocks, with components labeled with their respective part numbers and designators. The board is shown against a green grid background, which provides a reference for the dimensions and placement of the components.
