Dear Sir/Madam,

Re: Project Authorization Letter

We, Bolt Modus Corp, the undersigned, agree to waive 5G WIFI technology in our new product Smart Phone, Model: ART1, FCC ID: 2APW4ART1. Therefore, we request not to perform or include in the FCC certification tests.

We commit to remove the 5G WIFI function from our products by software.

Meanwhile, the chip MT6739 also support EDGE, WCDMA, LTE function, but for FCC bands, our product only support LTE band 2/4/7/12/17, the other FCC LTE bands, EDGE and WCDMA band 4 were disabled to use in the software. The end user has no capability to activate it in US market.
