

The image shows a large, orange-colored paper craft template for a remote control car track. The template is designed to be cut out and assembled into a 3D structure. It features a long central track section with multiple U-shaped turns. On the right side, there is a control panel area labeled 'REMOTE CONTROL HEAD-2-HEAD SPEED BUMPERS' which includes a small illustration of a red and white remote control car. The template also includes a starting/finishing line area with a grid of small circles. The entire template is surrounded by a white border, and there are small icons and text at the bottom left corner.
