INSTRUCTION MANUAL

1 | Out of the Box

2 | Transmitter

To turn on, hold the  button for 3 seconds. To turn off, hold it again for 3 seconds.
Once on, it is automatically discoverable via Bluetooth.

3 | Headset

Waterproof rating = IP68
Battery life = 4 hours

To turn on, hold the volume up button + for 3 seconds.
To turn off, hold the volume down button - for 3 seconds.

4 | Headset Fit

The band rests low against your head and slides over your ears like glasses. Ensure that the pads rest in front of your ears, not in them. They sit on your zygomatic arch.

5 | Charging Case

To charge the headset and transmitter, place them into their cradles and use the micro USB cable provided. A solid yellow light appears until fully charged. The case is splash-proof only and should not be submerged in water.

6 | Color Light Guide

- Solid blue** - Streaming audio from the connected device
- Blinking green** - Searching for available channel
- Solid green** - Ready to pair with headset(s)
- No green light** - Powered off
- Blinking yellow** - Less than 10% charge
- Solid yellow** - Charging
- No yellow light** - Fully charged or not attached to charger

- Solid white** - Lost connection to transmitter*
- Blinking green** - Searching for transmitter
- Solid green** - Paired with transmitter
- No green light** - Powered off
- Blinking yellow** - Less than 10% charge
- Solid yellow** - Charging
- No yellow light** - Fully charged or not attached to charger

* The headset will attempt to regain connection within 5 minutes before automatically turning off.

7 | Range

Underwater

Above Water

Note: The headset is waterproof deeper than 2 feet but will likely lose signal beyond that.

8 | Zygo App

Check out our app for guided workouts

9 | Care Tip

Rinse and dry before returning to the case.

10 | For Groups

One transmitter can pair with multiple headsets by turning them all on in close proximity to the transmitter. With the Deco (shown here), all 10 headsets charge in the case.

11 | Earplugs

Earplugs can improve audio performance by reducing the impact of ambient noise.
