

Date: February 26, 2026

To Whom It May Concern,

We, Cargt, Inc, hereby authorize the individual identified below to act on our behalf in matters relating to equipment authorization filings with the Federal Communications Commission (FCC) and Innovation, Science and Economic Development Canada (ISED).:

Name: Mathew Lee Calliccoat

Title: VP of Engineering

Company: Cargt, Inc (ISED Co. # 27013 / FCC FRN # 0027800291)

Address: 9825 Widmer Rd, Lenexa, KS 66215

Email: matt.calliccoat@cargt.com

This authorization includes, but is not limited to, the authority to:

- Sign and submit FCC Form 731 and associated exhibits
- Sign and submit ISED RSP-100 Annex A/B applications and associated exhibits
- Provide responses to technical or administrative inquiries from FCC, TCBs, ISED, or Canadian Certification Bodies
- Sign confidentiality requests under 47 CFR §0.459 and corresponding ISED confidentiality provisions
- Make declarations and certifications required under applicable FCC and ISED rules

This authorization applies to all equipment authorization filings submitted by Cargt, Inc, unless otherwise revoked in writing.

This authorization remains in effect until formally withdrawn by the undersigned.

Sincerely,

Mark Vogt

President

Cargt, Inc
