1. DOCUMENT INTRODUCTION

1.1. Purpose

The purpose of this document is to provide label sample and label location of the AltaTrack product for FCC. For a description of the operational description of the radio function of the AltaTrack product for FCC see [FCCOPDES].

1.2. Scope

The scope of this document is limited to the label sample and label location relevant for FCC.

1.3. References

Reference	Identification	Title / additional remarks
[FCCOPDES]	OSS-18-0544	AltaTrack Operational Description for FCC v1

1.4. Definitions & Abbreviations

Term	Description
ID	Identification
EU	Europe
US	United States

Document number:	OSS-18-0543	Revision:	2.0
Status:	Approved	Page:	4 of 5

3. LABEL SAMPLE

The ID label of the product is given in Figure 1. The following notes apply:

- The product ID label comes in two versions: a version for Europe (EU version) and a version for the US (US version). In Figure 1 only the US version of the label is given
- The red fields in the label are variable items which are completed when a manufacturer order for the product is completed.

US Label

Size 76,2 x 50,8 mm
rounded corners 1mm
