

The image shows the back of a black, square-shaped electronic device, possibly a smartwatch or a small tablet. It is placed on a blue surface. A wooden ruler is positioned vertically on the left side of the device, showing measurements from 1 to 27. Another wooden ruler is positioned horizontally at the bottom of the device, showing measurements from 1 to 22. The device has a central rectangular area with a horizontal slot. There are several screws around the perimeter of the device. A red arrow points to a small, square, black component located at the bottom center of the device. The text "FCC ID写: 2AQ7B-IPL265" and "5mm*5mm" is overlaid on the image, indicating the location and size of this component.

FCC ID写: 2AQ7B-IPL265
