

Ugreen Group Limited

## Label Placement Declaration

To

Federal Communication Commission

Equipment Authorization Branch 7

435 Oakland Mills Road

Columbia, MD 21046

For the following product

Model : UGREEN USB-C Receiver G1

FCC ID:2AQI5-UGREENG1

The FCC ID will not be printed on the body, but described in the product user manual and the product package due to below reasons. The earbud is too small to put the ID label on it

The subject device is extremely compact, with available labeling area significantly smaller than the palm of a hand, which the FCC guidance considers too small for the required compliance statement. Due to the device's physical dimensions, it is impracticable to print the full Part 15.19(a)

Therefore, pursuant to 47 CFR § 15.19(a)(5), the required compliance statement has been placed in a prominent location within the user manual and is also printed on the product packaging
