

A photograph of a laboratory setup. A power supply unit is on the floor, connected to a wall outlet and a breadboard. A scope is on a table to the left, and a mouse is on a table to the right.

A photograph of a radiation emitter test setup in an anechoic chamber. In the foreground, a black computer mouse with a red light is placed on a light-colored wooden table. In the background, a radiation measurement device is mounted on a stand, and the walls of the chamber are covered with blue pyramidal-shaped electromagnetic absorbers.
