

WIRELESS CHARGER USER MANUER

BT21

Read the user manual carefully, and keep it for future reference.

Package List

① Charging Stand, ② Type C Charging Cable, ③ User Manual

Product Description

Connect the USB connector to the power adapter and then connect Type C connector port of the charging stand. Wireless charging allows you stand to freely use your SmartPhone

Product Specifications

Product Weight : 144g
Charging Protocol : Qi
Material : ABS+PC+Aluminum alloy+Silicone
Dimensions : 10*7*11cm (L*W*H)
Input: 5V2A, 9V1.67A
Output: 10w/7.5w/5w
Charging Efficiency : ≥ 75%
Charging Distance : ≤ 8mm
Coil : 2 coil

Fully Charged	Blue lights flash 30 seconds and stays on
Undervoltage charge	Redlight flash alternately

<ATTENTIONS>

Please keep the charger away from water or other liquids. • Do not place the charger too close to any magnetic stripe or clip card (ID card, bank cards, etc) to avoid magnetic failure. This item is not to be used on any mobile device with metal plates, as it will cause extreme heat that may burn and/or damage the

device. Fast charger via the plug and USB charging cable both support QC 2.0 or QC 3.0). Usually, we recommend that the thickness of the phone case should be within 3 mm (0.12inch), it would not charge if the thickness is more than 8 mm (0.3inch). The standard temperature of wireless charger Qi is 130 °F, but the temperature of our products should be controlled within 130 °F. The charger will cut off current when abnormal heating occurs. Please contact us if any damage occurs. We recommend that you turn off the power-consumption software before charging to effectively prevent the phone from overheating. When the temperature exceeds 113 °F during charging, it is normal for the charging speed to slow down.

<ATTENTIONS> (Waste Electrical & Electronic Equipment)
This marking shown on the products or its literature, indicates that it should not be disposed with other household wastes at the end of its working life. To prevent possible harm to the environment to human health from uncontrolled waste disposal, Please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier and check the terms and conditions of the purchase contract. This Product should not be mixed with other commercial wastes for disposal.

<WARRANTY CLAUSE>

Users can enjoy free warranty service within 12 months of the date of purchase. The limited warranty does not apply in the following cases: - All damages caused by human factors, misuse of the product, unauthorized alteration to or change of parts components of the product, etc. All damages caused by bad transportation or other irresistible factors such as floods, fire, lightning, earthquakes, etc. The company reserves the right, at its discretion, to change, modify, add or remove portions of these terms at any time.
