- Ⓜ **Gebruiksaanwijzing**
Steek in usb-poort. Plaats de telefoon in het midden van de pad. Schakel het apparaat uit als het niet gebruikt wordt.
- Ⓜ **Istruzioni**
Collegare a una porta USB. Collocare il telefono al centro del pad. In caso di inutilizzo, scollegare il dispositivo.
- Ⓜ Versions of software/firmware affecting compliance with essential requirements couldn't be installed/changed by user. Accessories/components marketed together affecting compliance couldn't be changed by user.
- Ⓜ Las versiones del software y firmware que afectan al cumplimiento normativo con requisitos esenciales no pueden ser instaladas ni modificadas por el usuario. Los accesorios o componentes que se comercializan juntos y afectan al cumplimiento normativo no pueden ser modificados por el usuario.
- Ⓜ O utilizador não conseguiu instalar ou alterar as versões do software ou firmware que afetam a conformidade com os requisitos essenciais. O utilizador não conseguiu mudar os acessórios ou os componentes comercializados em conjunto que afetam a conformidade.
- Ⓜ Software-/Firmware-Versionen, die sich auf die grundlegenden Anforderungen auswirken, können vom Nutzer nicht installiert/geändert werden. Gemeinsam angebotene Zubehörteile/Komponenten, die sich auf die grundlegenden Anforderungen auswirken, können vom Nutzer nicht geändert werden.
- Ⓜ Les versions du logiciel/micrologiciel affectant la conformité aux conditions de base ne peuvent pas être installées/modifiées par l'utilisateur. Les accessoires/composants fournis affectant la conformité ne peuvent pas être changés par l'utilisateur.
- Ⓜ Versies van de software/hardware zijn niet compatibel met essentiële vereisten en kunnen niet worden geïnstalleerd of gewijzigd door de gebruiker. Bij elkaar horende accessoires/onderdelen beïnvloeden de conformiteit en kunnen niet door de gebruiker veranderd worden.
- Ⓜ Versioni di software/firmware che incidono sulla conformità con i requisiti essenziali non possono essere installate/modificate dall'utente. Accessori/componenti commercializzati insieme che incidono sulla conformità non possono essere modificati dall'utente.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
FCC Caution: Changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

FCC Statement:
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
