GETTING STARTED

1/ Sign up on Brainium portal (https://www.brainium.com/signup). Validate your account upon reception of account creation confirmation.

2/ Install Brainium gateway (compatible with iOS starting 10 and Android starting 5.0).

Get it on Google play

Available on the App Store

3/ Go to Brainium portal/Equipment/Gateway to link your SmartEdge Agile to your gateway.

4/ Create projects to track real time data, and start using AI studio to bring Intelligence to your device.

META-SENSING: Hardware and Software combo

- **Create Intelligence at the Edge**

- Build your AI model with zero-coding approach
- Push seamlessly your AI model to the SmartEdge Agile
- Track your SmartEdge Agile in real time
- Full Brainium software stack included

- **Discover the Brainium solution**

- 6 months Azure hosting included for free
- Strong device to cloud security model
- Preferred contact within Avnet to start your industrialisation phase
