

Attach the Table Stands

How to assemble the stand

If you need to remove or assemble the stand please read the following instructions.

-Before attaching/detaching the stand, make sure to turn off the TV.

-Before performing work, spread cushioning over the base area to lay the LED TV on. This will prevent it from being damaged.

Assembling instruction:

Put the television on the table, fix the stands with screws given in the carton.

Step1: Fasten the base assembly with screws given in the carton.

Step2: Insert the assembled base into the hole, take out screws provided with TV set and tighten them into screw holes.

- To disconnect the stand from the TV, perform the above steps in reverse order.

Wall-mounting Installation (Optional)

Inches	Specifications VESA (A*B)
32"	200 x 150 mm

The figures and illustrations in this manual are provided for reference only and may differ from their actual appearance. The product design and specifications may change without notice.
