Dear Sir/Madam,

We, Beijing Penslink Co.,Ltd hereby declare that we have a product named as Petfon (model: P0102A, FCC ID:2AQXJ-P0102A) was tested by BACL, Meanwhile, for our marketing purpose, we would like to list a series model (P0102B) on reports and certificate. P0102A is the human end and P0102B is the pet end. The two models have the same circuit. The differences are as follows:

1. There is no GPS antenna and speaker on the human end.
2. There are buttons on the cover of the human end.
3. The shape and the gain antenna of the lora antenna are different.
4. The way of buckling is different.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely Yours,

Signature: *tao liu*
