Declaration of User's Manual

Product: Smart phone
Model No.: 801FJ
FCC ID: 2AQYEFMP170

This Fujitsu device is going to be on Japanese domestic market only. The device is not going to be shipped to the USA. FCC registration is only covering roaming purpose. Since that reason, Japanese user's manual is provided for the certification. Our official English version user's manual is going to be released on the website within one month after our device put into the market. Below is the reference link to find English user manual.

<https://www.softbank.jp/en/mobile/support/users-guide/>

For the reference purpose when we are applying FCC registration, we are submitting Japanese version of the user's manual which include necessary information.

In case you have any question, please contact us,
