Specification

Product Name:
3-in-1 Wireless Charging Station

- ① Wireless Charger:
5V==1A, 5V==1.5A, 9V==1.1A, 10W max.
- ② Wireless Charger:
5V==1A, 5W max.
- ③ Apple Watch Charger:
5V==400mA, 2W max.

Compatibility:
Qi Compatible iPhone / Apple Watch
/ Airpods Wireless Charging Case

Size: 192 x 96 x 22.6 mm Weight: 271 g
Warranty: 3 years

Product Introduction

Instructions

⚡ W17A has to be used with OMNIA P2
or PD 24W adapters.

FCC STATEMENT :

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1)This device may not cause harmful interference, and
(2)This device must accept any interference received, including
interference that may cause undesired operation.
Warning: Changes or modifications not expressly approved by
the party responsible for compliance could void the user's
authority to operate the equipment.

NOTE: This equipment has been tested and found to comply
with the limits for a Class B digital device, pursuant to Part 15
of the FCC Rules. These limits are designed to provide
reasonable protection against harmful interference in a
residential installation. This equipment generates uses and can
radiate radio frequency energy and, if not installed and used in
accordance with the instructions, may cause harmful
interference to radio communications. However, there is no
guarantee that interference will not occur in a particular
installation. If this equipment does cause harmful interference
to radio or television reception, which can be determined by
turning the equipment off and on, the user is encouraged to
try to correct the interference by one or more of the following
measures:

Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different
from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for
help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits
set forth for an uncontrolled environment. This equipment
should be installed and operated with minimum distance
20cm between the radiator & your body.
