

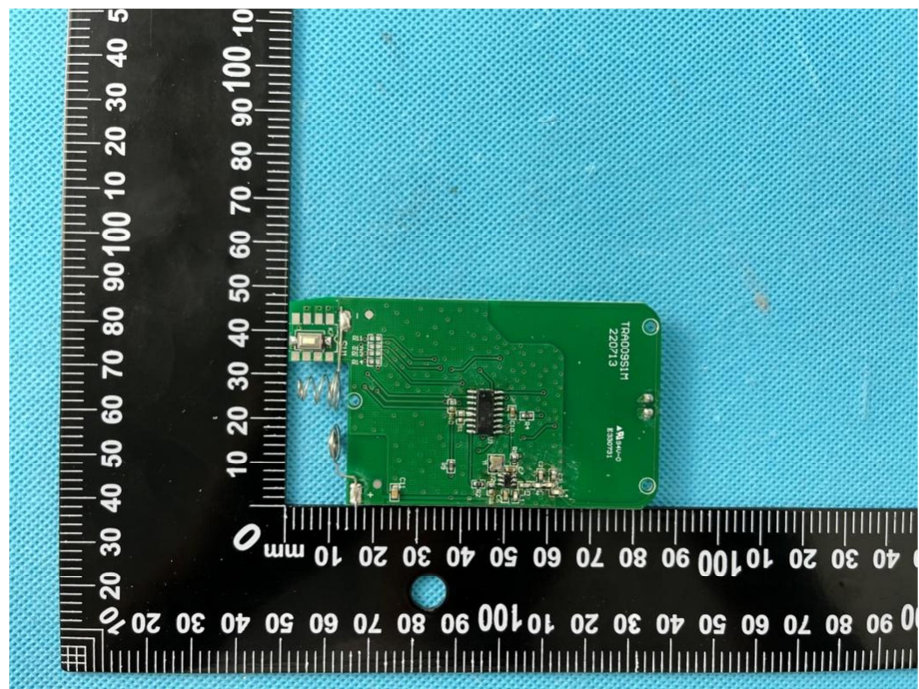

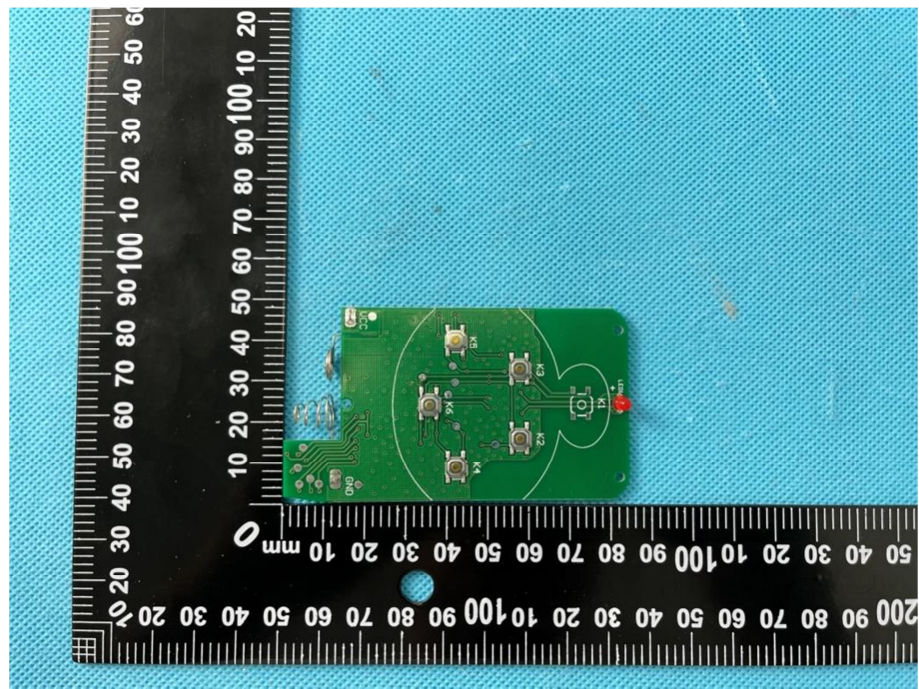

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the back of a white plastic EUT housing and a small white rectangular component, likely a battery or sensor, placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the components for scale. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10). The housing has a small label with text and a barcode. The component has a green label with "QC" and "2022-02-18" printed on it.
EUT Housing and Board View 2	 A photograph showing the internal components of the EUT housing, including a green printed circuit board (PCB) with various electronic components, and the white plastic housing. The components are placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the components for scale. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10). The PCB has a label with "TOSHIBA" and "220113" printed on it.
