

Declaration Letter

We , AFX Inc. declared that will retain control over the final installation of the device,(FCC ID: 2AR7I-RF8920N-M) such that compliance of the end product is assured. In such cases, an operating condition on the LMA for the module must be only approved for use when installed in devices produced by a specific manufacturer.

Please contact me if you have any further questions. Thanks for your attention. Best Regards,
